**SHE'S A DOER AT 90** — Linda Delgaard celebrated her 90th birthday on Friday, June 11. She is a native of Antioch, born LaPlante, married late Andrew Delgaard and has lived one-half mile from place she was born for 64 years. Delgaards ran grocery store on Main St. from 1931 to 1948. Although she cannot see she still crochets beautiful baby blankets by touch. She has four living children, 10 grandchildren and seven great-great grandchildren. — Photo by Gloria Davis.

## 'Might picket landfill if necessary': Johnson

In response to Waste Management's filing for expanded dump site approval at Antioch's landfill, the Lake County Coalition of

Concerned Citizens (CCC) has announced that it will resume a stepped up effort to prove to county officials that the vast majority of area residents realize the dangers of such a dump expansion and are prepared to demonstrate against the expansion.

CCC members feel that local disposal sites are only a short term solution to the county's waste problem. At the current rate of dump site expansion, waste disposal will effect residents of every municipality in the county

### Good news in The News

#### Come out swinging

The Antioch American Legion Baseball Team opened its 1982 season with an 11-5 victory over Gurnee. Vince Gawrecki was the winning pitcher scattering seven hits, striking out seven and walking three.

Leading hitters for Antioch were Steve Sheedlb, 3 for 4, with a home run; Mike Gier, 3 for 5, with a double; Tom Adams, 2 for 4, Brad Herbst, 2 for 4, Craig Sheedlo a base loaded double, Dave Jensen and Derek Olsen one hit each for the team total of 13.

#### Sale date set

The annual rummage sale sponsored by St. Peter's Woman's Club will be held on Friday and Saturday, June 18 and 19 from 9 a.m. until 4 p.m., at St. Peter School.

All donations may be dropped off at the school from June 12 until June 17.

Margaret McKinney is chairman of this sale, which is held for the benefit of St. Peter Church. She will welcome the assistance of all the ladies of the parish.

Officers of St. Peter's Women's Club are Genevieve Mularski, president; Betty Hope, vice president; Mary Ring, secretary; and Barbara Carpenter, treasurer.

## Talk set on economical indications

After scrutinizing the lengthy Illinois Commerce and Community Affairs study on Antioch, members of the village board will be discussing the document's indications at the committee meeting slated for 7 p.m., on Monday, June 14.

The public, as well as area businessmen, school board members and real estate brokers etc., that are interested in the village's economic pulse are expected to attend the meeting.

This study has been derived from indications shown by compiling the last five yearly audits of the village.

According to Village Clerk Marilyn Sterbenz, "It is a long and complicated document that lists 54 indicators that show where the village is lacking and where it is ahead."

These indicators contend with such things as bonding power, an assessment of the village's growth, etc.

Sterbenz told the board that the village is in need of new revenue and that it would have to actively recruit it through the addition of more businesses and more industry.

## 'Time to unite' against landfill

by GLORIA DAVIS

"This is no time to pick, it's time to unite. Refusing the annexation is playing right into the hands of Waste Management," said Doris Reimer, former secretary of the Silver Lake Park Homeowners Assn. Reimer walked out of the last association meeting in disgust at what she thought was an unfair, short sighted, revengeful decision.

"The annexation of the area around Little Silver Lake to the Village of Antioch will only mean higher taxes for the home owners while they will still receive the same services. The landfill problem should have been handled several years ago when the landowners around Little Silver Lake started complaining to the village board," said Robert Geske, new president of that association.

Reimer said that, at a previous meeting held at the State Bank of Antioch, the vote had been 18 to 10 to pursue the annexation idea.

"A formal ballot was never taken on the annexation. I think they simply went by the fact that only 10 percent of the owners responded to a letter from Wayne Erickson, former association president. The letter asked for \$50 now and \$50 in the future to cover the costs of the annexation," Reimer added.

At least 51 percent of the homeowners must sign a petition of annexation.

Geske said that he and Ron Miller had taken a survey of the landowners and found that they were against the annexation by the majority of three to one.

He reported that he had no idea how many of the 64 landowners they talked to or how many were for and what the number against was.

Mayor Ray Toft and other members of the village board of Antioch thought that they had come up with a possible solution to the control of the 30 acre landfill site, plans for which Waste Management, Inc. has filed with Lake County.

Since the village is already in the process of annexing the 134 acres owned by R.C. Coil Co., which borders the northern end of the

## County to 'plaque-ate' Bud Holtz

Of the votes cast on county business by R. G. (Bud) Holtz, ex-Lake County Board member, since the first of the year when States Atty. Fred Foreman called for his resignation, only one was a decision maker. That pertained to the purchase of land in Libertyville for a forest preserve.

Holtz's presence, if legal, would have constituted a quorum. The vote was 10 to one against the purchase.

Now that the forest preserve's attorney,

# St. Peter's to audition for 'Footlights' talent

St. Peter Parish, Antioch, is proud to announce that plans are underway for a benefit entertainment ex-

travaganza to be presented at St. Peter School in early November 1982.

Billed as an "adventure in

entertainment", "Footlights '82" will offer a variety of entertainment acts in several showrooms, and a tempting

array of culinary delights will be available in several "holding" and dining rooms throughout the show areas.

Calling themselves "The Producers", the main committee members (Ted Sokulski, Jim Haley, Hank and Ricky Apostol, Bruce Pagni and Gail Marcquenski) have been meeting frequently to formulate plans and initiate the groundwork needed in this huge undertaking.

Talent auditions for "Footlights '82" will be held on Tuesday, June 22 and

Thursday, June 24 from 7 p.m. until 10 p.m. each evening.

The auditions will be held at St. Peter School, 900 St. Peter St., Antioch.

All types of talent are needed for the benefit performances to be held on four consecutive evenings, November 4, 5 and 6 (Thursday, Friday and Saturday) plus a special dress rehearsal viewing for participants on Wednesday, November 3.

Singers (from "rockers" to yodelers), dancers, musicians, magicians,

stand-up comedians and anyone with a special talent is invited to audition.

A piano accompanist as well as a phonograph and tape cassette will be available. Performers are asked to bring their own sheet music, costumes, props or whatever else may be needed to present their material, and entertainers are asked to limit their audition material to five minutes.

Further information can be obtained by calling Bruce Pagni at (312) 395-1404.

## Might picket landfill

(Continued from Page 1)

in only a few years. Approval of an Antioch site expansion in 1982 could pave the legal road for easier future site approvals in Gurnee, Lake Villa, Lake Bluff, Libertyville, or, in fact, in any municipality a waste disposal corporation would choose.

Fred Johnson, a CCC spokesman, stated that despite the findings of Antioch's investigation committee and their subsequent recommendation to stop the dump expansion, Waste Management is attempting to "force their 30 acre waste disposal expansion on the Village and surrounding residents" by appealing to county officials.

Johnson goes on to say that a Village Investigation Committee member was quoted

as saying that a Waste Management executive claimed that if Waste Management could get this 30 acre expansion approved for dumping, the additional 40 acres they own could be "automatically" approved at any later date.

This would cause the dump site to remain open for years beyond the originally projected nine years, claims Johnson, causing Antioch Township to be saddled with the reputation of the town with enough waste in its dump to build a garbage pile 31 feet high, 31 feet wide and 31 feet long for every man, woman and child in the area.

CCC will be holding its strategy meeting 7:30 p.m., Thursday, June 17, at the Antioch Scout House located at 741 Main St., Antioch. All area residents are urged to attend.

## County to 'plaque-ate'

(Continued from Page 1)

Julius Abler has ruled that Holtz was not a member of the county board at the time the vote was taken, negating his position on the forest preserve district board, the vote will come up again at the meeting of the forest preserve district board on Friday, June 18.

Holtz said that he expects the vote to go the same way since two people whom he is sure will vote against it were not present at the first balloting will be there.

County Board President Glen Miller and Priscilla Richardson (R-Dist. 5) are expected to be at the meeting and cast negative votes.

Although many county board democrats have been calling for Holtz to return any salaries received since January when

Foreman asked for his resignation, Miller said he didn't think that the money return would be necessary.

Despite the fact that a state statute ruled that holding an office on the county board and being a township assessor, in a county with a population over 300,000, as Holtz was, was a conflict of interest, Foreman has never said that Holtz was not a member of the board at anytime before his resignation was formally submitted on May 29.

Holtz's resignation should be the end of the situation reported Miller.

The county board will honor Holtz for services rendered on Monday, June 14, by presenting him with a plaque and passing a resolution to that effect.

## AARP to install officers on June 22

Members of the Antioch Chapter 387 of the American Assn. of Retired Persons (AARP), voted to renew their membership with the Antioch Chamber of Commerce at their May 25 meeting.

John Bednarkewicz, second vice president, told of the 55 Alive program. People taking the course for a \$6 fee would be eligible for a reduced automobile insurance rate that will go into effect July 1. Instructors are urgently needed. Anyone interested in taking the course or being an instructor, should call Bednarkewicz at (312) 395-3161 for more information.

The Lake County Health Dept. and Medical Team, in conjunction with the AARP, held a free hearing and blood pressure program for people in the area, whether they were members or not, from 9 to 11:30 a.m. that morning.

Glen Peterson told of a bus trip he is planning for the members on August 26. They will be going to Galena, then on to Dubuque, Iowa, where they will take a paddle boat ride and have lunch at Robert's Smorgasbord.

Approximately 47 members enjoyed the theatre-dinner outing on May 23. They saw a "Romantic Comedy" at the Racine Theatre Guild and then had

dinner at Nino's Restaurant in Kenosha.

Florence Lombardo and Blanche Babik will be selling tickets for the June 22 in-

stallation dinner at the Country House in Antioch and the June 24 picnic to be held at the Lake Villa Township Park at the June 8 meeting.

## Who's 'dad's best? You tell us

Lakeland Newspapers Greatest Dad Contest features a relaxing, yet invigorating experience for not only the dad chosen, but five family members or friends.

The grand prize is a half-day, five hour Lake Michigan fishing charter through the courtesy of the Waukegan Charter Boat Assn.

Dad, and the five persons he chooses, will receive a trip aboard the Big Foot, captained by Bill Johnson, which is ported in Waukegan Harbor.

All dad needs to bring with him on the day of the trip is his food and beverage, with all fishing tackle, etc. provided by the captain.

Other prizes are also available through the courtesy of area participating merchants.

Entry blanks are available at participating merchants, with the winners to be announced in the June 24 issue of Lakeland Newspapers.

## Letter To Editor

WANTS MUSIC

Editor:

In answer to Ruth Goetz's letter regarding the high school band's selection of music played at the Memorial Day Parade.

How fortunate she was to have heard the band. Those of us who live at the south end of the parade route only hear a drum beat.

The one or two songs the band can play are held until they reach Lake St.

It seems to me, and many others that as taxpayers that should be allowed the privilege of hearing our band, not just seeing

it.

My husband and I have lived in Antioch seven years and never missed a parade, but have never heard the band play as they march from the high school (where they assemble) to Lake St.

Last year someone shouted to the band leader "Can't they play those instruments?" His answer was, "no".

A parade is not a parade without a band playing.

### NEW ADVISOR

Dawn Krahn, daughter of Mr. and Mrs. Gilbert Krahn of W. North Ave., Antioch, has been chosen as a junior advisor at Wells College.

# 'Time to unite' against landfill

(Continued from Page 1)

proposed landfill site, village officials asked the landowners of Silver Lake Park if they would like to annex to the village.

Both annexations would have a good chance of forcing the annexation of the landfill site because it would then be landlocked by properties that would be inside the village limits.

Then the village would have control of the site.

Many of the Silver Lake Park residents had been complaining for years about the smell, pollution, noise and dust caused by the waste disposal site presently being operated by HOD, owned by Waste Management.

"We have to fight the landfill at any cost," she added.

Reimer said that one of the things that really angered her was the laughter that greeted her when she said that the annexation would give the landowners a voice at the village meetings and the right to vote in village matters.

Little says that the dissenters are not the real majority of the people in the Little Silver Lake area, but a "handful of chronic malcontents who'll look for any reason to fight something."

Little reported that Toft had reinstated the investigation committee and the next meeting will be at 7:30 p.m., on Tuesday, June 15, at the village hall.

Little said that one of the most important discrepancies in Waste Management's case is that they are calling their latest venture an expansion of their present operation.

It is not an expansion, it is a new landfill site," said Little, "and should be treated as such."

Little quoted Illinois law pertaining to the establishment of sanitary landfills, "A new regional control facility is one which wishes to extend beyond its present boundaries."

"That is how this must be treated," he said, "just as if Waste Management was trying to start a landfill in Lake Forest or

anywhere else.

"Waste Management follows the letter of the law only when it is to their advantage," he added.

He accused the disposal company of saying one thing and doing another. He then gave the example of Waste Management saying that they would dig 25 feet, but then digging 50 feet if the law allows, even though that would only leave 10 feet of clay between the landfill and the village's water supply.

They had also expressed opposition to the new one and this plan seemed to be the best one conceived to date that might stop the nation's largest disposal company from bringing a new landfill to an area in the village's very core.

But a surprising coup took place at the Silver Lake Park Homeowners Assn. meeting, at the end of May which, coupled with the lack of response to Erickson's letter asking for the \$100 per landowner, and the reaction to another letter sent by the Committee of Owners Against Annexation, forced Erickson to decline Toft's proposal.

This committee is composed of Ron Miller, George Schoenleben, Alex Hoppe, Adolph Pertle and Carl Schuenke.

At that annual meeting, held on May 30, a new slate of officers, all of whom are against the annexation, was elected by the 30 people present.

Elected were Robert Geske, president, Ron Miller, vice-president, Katie Hoffman, secretary and Incumbent George Schoenleben, treasurer.

None of these new officers have attended many if any of the landfill meeting reported Reimer. Geske himself said that he didn't know much about the situation because he was new at it.

## Breast Exam

St. Therese Hospital and the Lake County Unit of the American Cancer Society will co-sponsor a seminar on breast self-examination to be held in the community room of the St. Therese Area Trauma Satellite (STATS), Rte. 59, Lake Villa, on Tuesday, June 15, at 7:30 p.m. There will be no charge or registration. Women of all ages and adult family members are welcome to attend. For further information, call (312) 356-6600 (STATS) or (312) 478-2702.

## Pressure Testing

Free pulmonary function testing will be offered to the public on Thursday, June 17, from 11 a.m. to 4 p.m. at St. Therese Area Trauma Satellite, located on Rte. 59 just south of Grand Ave., Lake Villa. No appointment is necessary.

Reportedly, the main reasons that the dissenting property owners refused to become part of the village of Antioch are the higher cost of paying village taxes and the bad taste left by the village's ignoring their complaints against the same situation for years, a prevalent remark heard, "Why should we help the village now?"

The fact that the village could not give 100 percent guarantee that the "landlocked" plan would work was also a deterrent.

According to Geske, he and Miller found that the Silver Lake Park landowners preferred possible lower land values and the

landfill to taking a chance with the village and higher taxes.

Reimer said the almost 50 percent of the property owners are absentee landlords and at least half of the homes are owned by summer residents or retired people who don't want a tax raise.

The complaint that Al Little, head of Toft's landfill investigating committee, intends to subdivide his acreage there and "make money on the deal" was often voice by the dissidents.

"What Mr. Little intends to do is preferable to a dump," said Reimer.

## No summer directory

Due to a cutting of costs, Antioch Parks and Recreation Dept. will not mail out its Summer Programs directory for the 1982 season, as has been done in previous years.

The programs will be located in the schools before school is adjourned and can be found at the Antioch Village Hall, Antioch Township Hall, as well as the Antioch Parks office and the Antioch Foods and Ben Franklin stores. Glenda and Dee are taking phone registration at (312) 395-2160.

The first session of Williams Park Day Camp will begin June 14. Swim lessons begin

June 21.

The office is prepared to take registrations over the phone now; residents can register at the Aqua Center as of Memorial Day weekend, May 29.

Swim team registration is being accepted now also.

For more information, call (312) 395-2160. If there is no answer, leave your name, phone number and program desire, date and times.

## Moose Women celebrate their 25th anniversaries

The Women of the Moose Chapter Night on June 3, celebrated three co-workers' 25 years of membership in the organization. Lorraine Gerloff and Jeanne Hartmann attended the meeting with Louise Gutowski joining her "class" after attending graduation exercises of her

daughter.

Each honored member received a silk corsage with the 25 year pin setting off the blooms. Shirley Gehrls was the only member not in attendance. The recorder, Judy Page, gave a short history from the "57 year."

June 17 will be the final business for the current board. June 19 is set for installation of the newly elected officers, appointed officers, chairmen and ritual director. A dinner and dancing follows the installation program.

## Along the way with ANNIE MAE

I came across a real case of like father, like son when Lorriane Cerk told me that last week's time machine said that 30 years ago Charles Bock was chosen to represent Antioch High School at Boy's State.

According to Cerk, a couple of week's ago, his son Brian was chosen to represent Davis High School in the Utah's Boys State contest.

Brian was also elected senior class president and won the Hugh O'Brien Utah Award and this year he will serve as a counselor at the conference of state winners of that award, to be held at Northwestern University.

Neal and Deanna Lulofs, Antioch, were both graduated from Trinity College in Deerfield. Congrats to the young married couple who tied the knot a year ago and continued their studies.

Neal, the son of Mrs. Gwendoline Lulofs and the late Cornelius Lulof, received his degree in English communications and Deanna, daughter of Mr. and Mrs. Robert Ball, Antioch,

Neal, Deanna Lulofs

graduated cum laude, receiving her degree in social sciences.

Well it looks like Al Zegler was named a national finalist in the Reader's Digest-National Art Education Assn. Art Competition on "Family Life in America."

More than 35,000 juniors and seniors entered the competition.

Look for a layout featuring his work in the coming issue of the digest. Zegler took home a \$500 scholarship and so will the high school art department.

A young Antioch resident on the way up is Mr. and Mrs. Charles Hamlin's daughter, Lynette, who received her bachelor of science degree in nursing from Loyola University. Lynette, who was on the spring dean's list, plans to go on and get her master's degree in nurse midwifery.

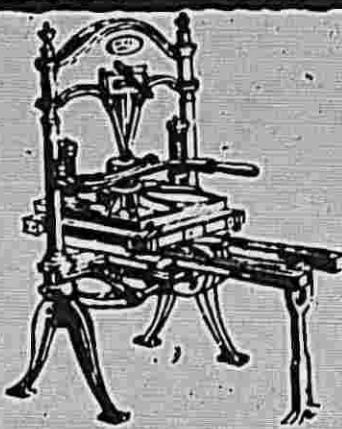

She is presently employed at Lake Forest Hospital.

The students in the area are really getting deserved accolades. Congratulations to Julie Mealer, Antioch High School, who received the Arion Award for music and Mike Fallon who took the John Phillip Sousa award.

Annie Mae hears that the county board is expected to name a replacement for Bud Holtz on Monday, June 14. Or are they BS-ing me?

Anyone looking for an excellent secretary might contact Sarah Heiselmann who represented Antioch High School at the All-County Typing Skills Contest.

She took third place in a time writing contest for first year typing students and brought home an "excellent" medal for her efforts.

## The Time Machine

### FIFTY YEARS AGO: June 16, 1932

Thomas Temple Hoyne, financial editor of the Chicago Herald Examiner, told members of the Antioch Chamber of Commerce that "depression is caused by trying to ease the burden of debt by raising taxes."

An insurgent group of Lake County Board supervisors introduced petitions asking for a 10-year audit of the county's affairs. The idea was killed by a 29-9 vote, demanding an apology for the reflections cast on the board.

The News ran a menu and recipes for a dinner for six costing 33 cents apiece. The menu started with broiled lamb chops, buttered new peas, parsley potatoes, and included hot buttermilk biscuits, lime apple jellied salad, and ended with black cherry cobbler and demi-tasse.

### THIRTY YEARS AGO: June 12, 1952

Many Antioch residents were working feverishly to complete the 11-acre park being built on Main St. near the library.

Warren Polley, Antioch High School teacher had built two fireplaces in the park and was working with area organizations supervising the building of eight more.

Vern Heath was in need of help to complete the horseshoe courts. All volunteers were asked to contact Mayor Jim McMillen.

"Quo Vadis" was playing at the local movie theaters.

Chuck Cermak, Jr. was advertising a year 'round home with two bedrooms, livingroom, kitchen, bath and utility room and a one car garage, lovely lot, one-half block from lake, for \$5,800.

### TEN YEARS AGO: June 14, 1972

\$1,500 in damage was done to the Antioch Upper Grade School when vandals threw numerous rocks through the windows.

Rte. 83 was set for a widening and resurfacing in the area that approached Rte. 173.

Dr. James Kopriva had a art exhibit in Chicago.

The State Bank of Antioch was paying five and three-quarters percent interest on a two-year certificate of deposit, five and one-half percent on a one-year one and five percent on a 90-day golden passbook account.

## Dems fill holes in precincts

Interest continues to grow in the reformation of the Democratic Party in the new regional six, according to Region Vice Chairman Dan DeFosse of Antioch.

On May 12, region six Democrats met to continue organizational planning with several Lake Villa and Newport Township Democrats joining the planning effort. The Democratic Central Committee has divided Lake County into six regions, each with a vice chairman. Antioch, Newport and Lake Villa Townships make up region six.

Although originally organized as the Antioch Township Democratic organization, that group will now be referred to as the Region Six Democratic Organization, according to DeFosse, and they will meet monthly on the second Wednesday of the month until September when they will begin meeting twice a month until after the November general election.

DeFosse said a priority has been set in filling vacant precinct committeemen positions in the three townships. After that the organization hopes to begin developing a list of qualified Democratic election judges.

"We prefer to use someone who lives in that precinct," said DeFosse, concerning the appointment of committeemen. "We want someone who will not only deliver literature, but bring back the problems in their precinct and hopefully help find some answers. The party is standing for representation of the people and we want that carried right down through to the com-

mitteeman," said DeFosse.

The region vice chairman said that an educational program will be initiated to show precinct committeemen things that they can do for constituents in the district. The most urgent need for committeemen at present is in Lake Villa Township and anyone interested in the Democratic Party is encouraged to get involved.

DeFosse said that working as a regional organization instead of just the Antioch Township Democratic Party, will mean that efforts in the three townships will be better coordinated and committeemen will be able to work with each other in the entire area.

"We hope to better cover the area and better inform the voters in the future," said DeFosse. "The Democratic Party will not use the intimidation tactic that has been witnesses in the past with one-party rule. We will get the information out to the people to help them make intelligent choices."

DeFosse said the local Democratic organization has also been contacting candidates so that Democratic activities in the area will be better planned in the future.

"We're going to work hard for all of the candidates working for the party. There will be a whole different voter turnout than ever before (in the region)," DeFosse concluded.

## Extension seeks host families

An 11 to 13-year-old who's 10 thousand miles from home can get homesick unless he has a place he can call "home" says Barbara Dahl, Lake County extension adviser. The Cooperative Extension Service is seeking "homes" for approximately 125 Japanese youngsters scheduled to arrive in Illinois about July 21.

Although the majority of the Japanese youth will be from 11 to 15 years of age, there will be about 12 teen leaders aged 15 to 19 and several adults accompanying the group.

Host families are needed for the period from late July to late August.

Persons interested in serving as hosts or who want more information should contact Barbara Dahl at the Lake County Extension office, (312) 223-8627.

## Set lung testing at trauma satellite

Free pulmonary function testing will be offered to the public on Thursday, June 17, from 11 a.m. to 4 p.m. at St. Therese Area Trauma Satellite, (STATS) located on Rte. 59, just south of Grand Ave., Lake Villa. No appointment is necessary.

The test, which is performed by the hospital's respiratory therapists, can determine the condition of your lungs by measuring how fast and how much air is exhaled through the use of specialized equipment. The test is painless and only takes a minute.

Test results will be given to the participants with recommendation to consult their physician if findings are outside normal limits.

Free pulmonary function testing will be offered the third Thursday of each month at the satellite.

### FRUITROT

The recent long rains in Illinois may cause rot problems on homeowner plantings of strawberries, says Nancy Clifton, Lake County Extension Summer Assistant adviser.

### ANTIBIOTICS AND ORAL INFECTION

#### Question:

My dentist gave me a prescription for an antibiotic. Is that unusual?

#### Answer:

The treatment of infections in and around the mouth, as with infections everywhere else in the body, underwent a dramatic change with the introduction of antibiotics in the 1940s. Severe and life-threatening infections became relatively rare. Penicillin, the first antibiotic introduced, remains the most effective antibiotic in the treatment of most oral infection.

Antibiotics were such wonderful new drugs that some doctors overused them or used them inappropriately. As a result, germs resistant to the effects of antibiotics developed. Some toxic and allergic reactions occurred as well.

Now most health professionals are more cautious in the prescribing of antibiotics. Sometimes infection in the mouth will be controlled by allowing drainage, instead of prescribing an antibiotic. Antibiotics can be lifesaving, especially where used with care.

## PM&amp;L's 'Cat' cast near 'purr-fect'!

by GLORIA DAVIS

In 1960, "Cat On a Hot Tin Roof" was considered to be an outspoken sex-drama. By 1982's standards the production written by Tennessee Williams, now running at the PM&L Theater in Antioch, is just a slightly spicy bed-time story.

"Cat" is one of Williams' least depressing yarns but the cast at PM&L falls nowhere near the "least" category. Superlatives are mostly in order for this talented group.

Coleen Jordan's "Maggié the Cat" slithers like one, claws like one, "purr-vading" the entire stage with her presence when she is on it.

Larry Grant as Brick, her psychologically handicapped husband is almost perfect as the troubled, tight-lipped, over-aged athlete.

Grant's portrayal reeks of innate virility even though you are convinced he has a sex problem.

If this handsome young man doesn't come away from this production with at least one female fan club, I'll be surprised.

His timing is superb, his portrayal arresting.

Ditto for Gerry Mandel as "Big Daddy" Mandel's version of the dying dogmatic southern patriarch is more sympathetic than others I've seen, but he does know how to dominate a scene merely with voice inflections.

Casting his wife Mickey as his on stage spouse, "Big Momma" was a smart move by Director Barbara Miller, as they play well together. Both Mandels come across strongly and most professionally.

Plaudits are also due Carole Mulleney, who plays the greedy Sister-Girl Mae with fitting obnoxiousness. The same goes for Harry Bartlett as Cooper, her avaricious husband. Both do a good job of making you dislike them intensely.

Congrats to Gloria Stewart who came up with a great plantation set, she seems to do as well with set decorations as she does as an accomplished actress.

## 'Bell, Book, Candle' to open June 18

Dinner Theater will return to the Antioch area this month for an extended stay from June through November.

After being dark for two months, On Cue Productions will return to the Country House Dinner Theater June 18 for a five week run of John Van Druten's comic fantasy "Bell, Book and Candle".

This will be the first of a series which will run through November when there will be a break for the Christmas holidays.

"Bell, Book and Candle" is a romantic comedy about witchcraft and love in the modern world.

A staid and reasonable book publisher falls, literally, under the spell of a beautiful young witch but of course she doesn't have it all her way, and that is what provides the story.

The director of this opening play of the

series is Lou Jones, who also directed Neil Simon's "Chapter Two" for On Cue Productions at the Country House in April.

The cast includes names familiar to local theatergoers.

Lyn Kessie of Richmond will play Gillian Holroyd, a young witch. Tim Holt of Wildwood has been cast as Shephard Henderson the sober book publisher.

Bruce Stamm will play the warlock Nicky Holroyd, Gillian's brother.

Don Crop of Mundelein has been cast as Sidney Redlitch, the drunken author of magic books and Anne-Marie Cina of McHenry has the role of Aunt Queenie, the zany witch who is Aunt to Gillian and Nicky.

Performances will be Friday and Saturday evenings with a Sunday matinee.

For dinner-theater reservations call the Country House at (312) 395-4211.

## 'Operation New Start' announced by PM&amp;L

The PM&L Theatre in Antioch announces "Operation New Start." What is "operation new start"? It is a new system of season passes for this theatre group that is going into its 22 years of shows.

This non-profit community theatre will be offering five types of passes. One pass will be good for all six shows that PM&L will do next year.

The shows slated are: "Guys And Dolls" in September, "The Remarkable Mr. Penypacker," in November; "Morning's At Seven," in February; "The Gramercy Ghost," in April; "The Sly Fox," in June of '83; and "Stop The World," "I Want To Get Off," in July of '83.

The second pass choice will be a mini-series pass, good for any three of the above show. A third pass will be for all six shows; but can be used only for Friday and Sunday matinee performances (this pass will give the buyer an added discount over pass one).

A fourth pass will be available to senior citizens and a fifth pass will be available for students.

For more information, call (312) 395-3055 and you will receive PM&L's brochure explaining the passes and the season in more detail. All the shows will be musicals or comedies this season as an experiment. Regular box office prices will rise 50 cents starting this summer.

## Legion loses

On June 9, Antioch's American Legion baseball team went down to defeat at the hands of a tough Waukegan team, 8-3. Antioch was led in hitting by Steve Sheedlo's two run homer which followed a single by Mike Gier who also had a double.

Tom Adams concluded Antioch's hitting with a double. Lester Zitkus was the starting pitcher and was relieved by Tom Adams. Antioch is now one and one for the year.

On June 10, Antioch's Legion team lost a tight game in the last inning to Barrington, 6-5.

Antioch tied the score in the top half of the sixth inning on a run scoring single by Adams and a two base error by the Barrington centerfielder.

Barrington recaptured the lead in their half of the sixth. In the top of the seventh Antioch again tied the score on a walk by Jerry Haling and a double by Brad Herbst.

Barrington scored the winning run on a walk, a throwing error and a base hit.

## Cross Lake Art Fair Set For July 3

The third annual "Cross Lake Arts and Crafts Fair" coming up on Saturday, July 3 is also number three for exhibitor Judy Chart of Bristol.

She was there when the fair was in its infancy and she too has grown in her ability to produce beautiful glass-stained artifacts, her specialty.

Along with hubby George and eight-year-old son Eric, she had her very first exhibit at Cross Lake three years ago and since has experienced more than 30 showings.

Her talent is to produce pictures that re-create the look of stained glass, but are lighter to hang. "Lighter on the wallet too" says Eric.

Chart can design patterns from photographs, sketches or just a figment of the imagination. They are made from real glass stained with acrylic colors, either by brush or eyedropper.

Her husband makes the frames for Judy's creations and her son helps in the wood staining and framing. Her enthusiasm and genuine charm makes a stop at her

exhibit extra special.

The Charts, along with many other artisans, will be at the fair, offering varied and interesting examples of their crafts, most of which will be for sale.

Charcoal chicken barbecue will await the hungry, games and a beer bar for added amusement.

The fair begins at 11 a.m. along the picturesque lakefront parkway of Cross Lake, located one-fourth mile into Wisconsin, on Hwy. 83 and one block east on 124th Pl.

## Forest preserve board seeking entertainers

Wednesday, August 25, will be the 10th annual Lake County Senior Citizens Recognition Day at Lakewood Forest Preserve in Wauconda.

Senior Citizens Recognition Day was originated by Lake County in 1972. Forest Preserve District commissioners have worked to make the event a memorable occasion honoring the county's seniors and their lifelong contributions to Lake County. Senior Citizens Recognition Day has since

become a state and national observance.

Helen Belmont Amendola, chairman of education and special events committee, has begun planning for this year's event of entertainment, games, activities and refreshments. Commissioners Matthew Miholic and Jim Fields of the senior citizens recognition day committee are seeking musicians and entertainers.

Further information may be obtained by calling Judi Arneill at (312) 948-7750.

## Postmaster DeRemer says, 'Time is short'

Antioch Postmaster Mary Ann DeRemer advises that the time is short for full implementation of the new Lake County five-digit addressing system. The final date for honoring the dual addresses is July 25. At that time, one full year will have been extended for this service. The five-digit address system affects all residents of Lake County outside a village limits.

Residents who have not been made aware of their five-digit address and live out in unincorporated Lake County, should contact Grace Mary Sterns' office in Waukegan at (312) 689-6630. Residents should have their property tax number and/or lot number on hand when they call.

DeRemer said, "I can understand the situation this places people in. They must

notify each correspondent just as though they had moved. An inexpensive way of accomplishing this is by using a red pencil to draw attention to the change. Most people, particularly friends and relatives, don't pay attention to a return address unless you draw attention to it. They know you have't moved, so they don't read the return address.

"Help us give you the service that you deserve. See to it that you are part of the answer. The alternative is to be part of the problem. With a concerted effort on your part, you can still meet the deadline of July 25. If you live in rural Lake County and do not have a five digit house number, call (312) 689-6630 for the information. Time is running out," she said.

## Dems attend convention

Headed by Waukegan Mayor Bill Morris, who is also the state central committeeman from the 10th Congressional District and Lake County Democratic Chairman Jay Ukena, the delegation to the Democratic State Convention held at the Springfield Hilton on June 13 included Democrats from several Lake County Townships.

Besides Morris and Ukena, representatives from Waukegan Township included precinct committeemen Cary Daniels, Judy Lynch and Bob Stefanowski.

Antioch Township delegates included Dan Defosse, who is also the Democratic candidate for Congress in the 12th District and fellow committeemen

Ray Kirby, Mary Reljic and John Doyle.

Avon Township committeemen attending the convention included Sheldon Silvorsten, George Aquinego, Saul Valadez and Sylvia Valadez. Gene Friedman represented Deerfield Township Democratic Precinct committeemen at the state convention.

The movie "Sleep" by Andy Warhol consists solely of a man sleeping for eight hours.

# College of Lake County takes all sports award

The highlight of the 12th annual athletic awards banquet of the College of Lake County (CLC) was the announcement that CLC again captured the Skyway Conference All-Sports trophy.

The banquet held at the Olde Stratford Hall in Grayslake recognized the performance of 115 athletes and 11 athletic teams.

Among those receiving individual honors were John

Cyboran of Gurnee, NJCAA all America recognition in golf; Sherry Miller Dudley of Lake Villa, Skyway Conference most valuable player, volleyball; Bobbi Martens of Lake Villa, NJCAA Region IV individual champion in women's cross-country; and Karl Kopp of Libertyville, most valuable wrestler in the Skyway conference in 1981-82.

Kelly Blake of Round Lake was honored as the college's

scholar-athlete of the year.

On the conference level, CLC won Skyway championships in golf, women's tennis, cross-country, baseball and men's tennis.

This is the eighth consecutive year that the Grayslake school has won the all-sports award.

## Plan Kenosha runs

The Kenosha Running Club announces the inception of what it hopes to be the finest one-half marathon in the country.

With the co-sponsorship of the Kiwanis Club of Western Kenosha, the 1st National Bank and the Kenosha Running Club, the first annual Cohorama one-half Marathon and two Mile Race will kick off at 9 a.m. on June 19.

Proceeds from the race will go to the Lake Michigan Federation.

The Lake Michigan Federation is a citizen action group that has been very effective in its efforts to protect and preserve Lake Michigan and its shoreline.

The group has given its assistance to communities wanting to develop alternative, affordable methods of wastewater treatment; it has challenged the federal government with the in-

roduction of the clean water act before congress; and it has initiated other community efforts along Lake Michigan's shoreland that might enable all to enjoy Lake Michigan for years to come.

The course for the race begins and ends at Kenosha's Kennedy Park on the lakefront.

The run continues through parts of the Chiswaukee Prairie, one of Wisconsin's most beautiful naturally preserved areas.

Runners will pass along several miles of Lake Michigan's shoreline and through Kenosha's downtown mall.

Check in time is at 7 a.m.

For further information send a self addressed stamped envelope to the Kenosha Running Club, 3206 80th St., Kenosha, 53142.

# Get America Working

## ... So We Can Get America Going!

We believe it is high time that Americans roll up their sleeves and dig in to dig our nation out of economic stress.

Productive Americans, given the tools provided by private business working within the framework of the free enterprise system, can restore our confidence in the future and regain our stature in the market place.

We subscribe to the American work ethic, pride in accomplishment and the dignity that goes with

receiving a paycheck for honest labor and not turning our citizens into faceless end products of a welfare system that encourages idleness.

We heartily endorse governmental reforms that will eliminate unemployment compensation abuses, reduce economically inhibiting high interest rates and enact tax legislation that will lift depressing burdens from all taxpayers. Working together, we can restore our nation to a position of greatness and leadership.

Dear Bill:

It is good to learn that you are again running free job wanted ads in the Lakeland Newspapers in observance of "Get America Working" Week. This responsible as well as generous action on your part is consistent with our traditional American free enterprise, can-do philosophy and is particularly significant during this time of painful transition in our economy.

You and your colleagues at LAKELAND PUBLISHERS are to be commended for your patriotic and helpful contribution to the effort to rekindle our nation's productivity and increase employment opportunities for all Americans.

I congratulate you on your advertising campaign and extend to you my fullest cooperation in pursuit of a revitalized American economy.

Sincerely yours,

Robert McClory

## Faces In The Crowd ... Antioch Little League

Sponsors Make This Feature Possible — Show Them Your Appreciation

### Pickard, Bank lead girls

In Antioch Girl's Softball League play, the game scheduled for Tuesday, June 8, with Flo's slated to go up against Thelen, was suspended in the fifth inning because of darkness.

On Thursday, June 10, the State Bank team smothered Heath, 28 to 6.

It was a great defensive game with home runs by Angela Pack, Debbie Henning and Michelle Pavelski.

On Friday, June 11, Pickard took Orchard, 8 to 5. More good defensive playing with Katie Styack pitching her first game, well, going six innings.

On Sunday, June 13, Or-

chard took Flo's, 21 to 11. Jodi Harvey had a homerun and three hits in that one.

Also on Sunday, State Bank won over Thelen, 10 to 3. Michelle Pavelski, Debbie Henning, Jill Johnson all had homeruns.

Tina Meltzer had two hits,

but it took three pitchers, all pitching well, to win the game for the State Bank. Pitching were Tracy Fahrner, Elizabeth Glenn and Michelle Pavelski.

The othergame played on Sunday had Heath stomping on Pickard, 17 to 8.

Antioch's senior Baseball League took to the fields almost everyday this past week.

On Monday, June 7, the Vault swamped the State Bank. Stan Kuligowski was the winning pitcher with Dave Perryman coming

through with a homer.

On Tuesday, June 8, the Vault edged the Advertiser, 10 to 9.

The Vault was down, 9 to 5, in the bottom of the seventh inning but they scored five runs to win the game.

Steve Pappadakis was the winning pitcher.

On Thursday, June 10, the Advertiser doubled the runs scored by the Medics.

George Hickey pitched the last four innings, striking out 11 out of 13 batters.

On Friday, June 11, the Vault did it again over the Medics, 14 to 8.

Dave Perriman hit two

homers and Steve Pappadakis was the winning pitcher.

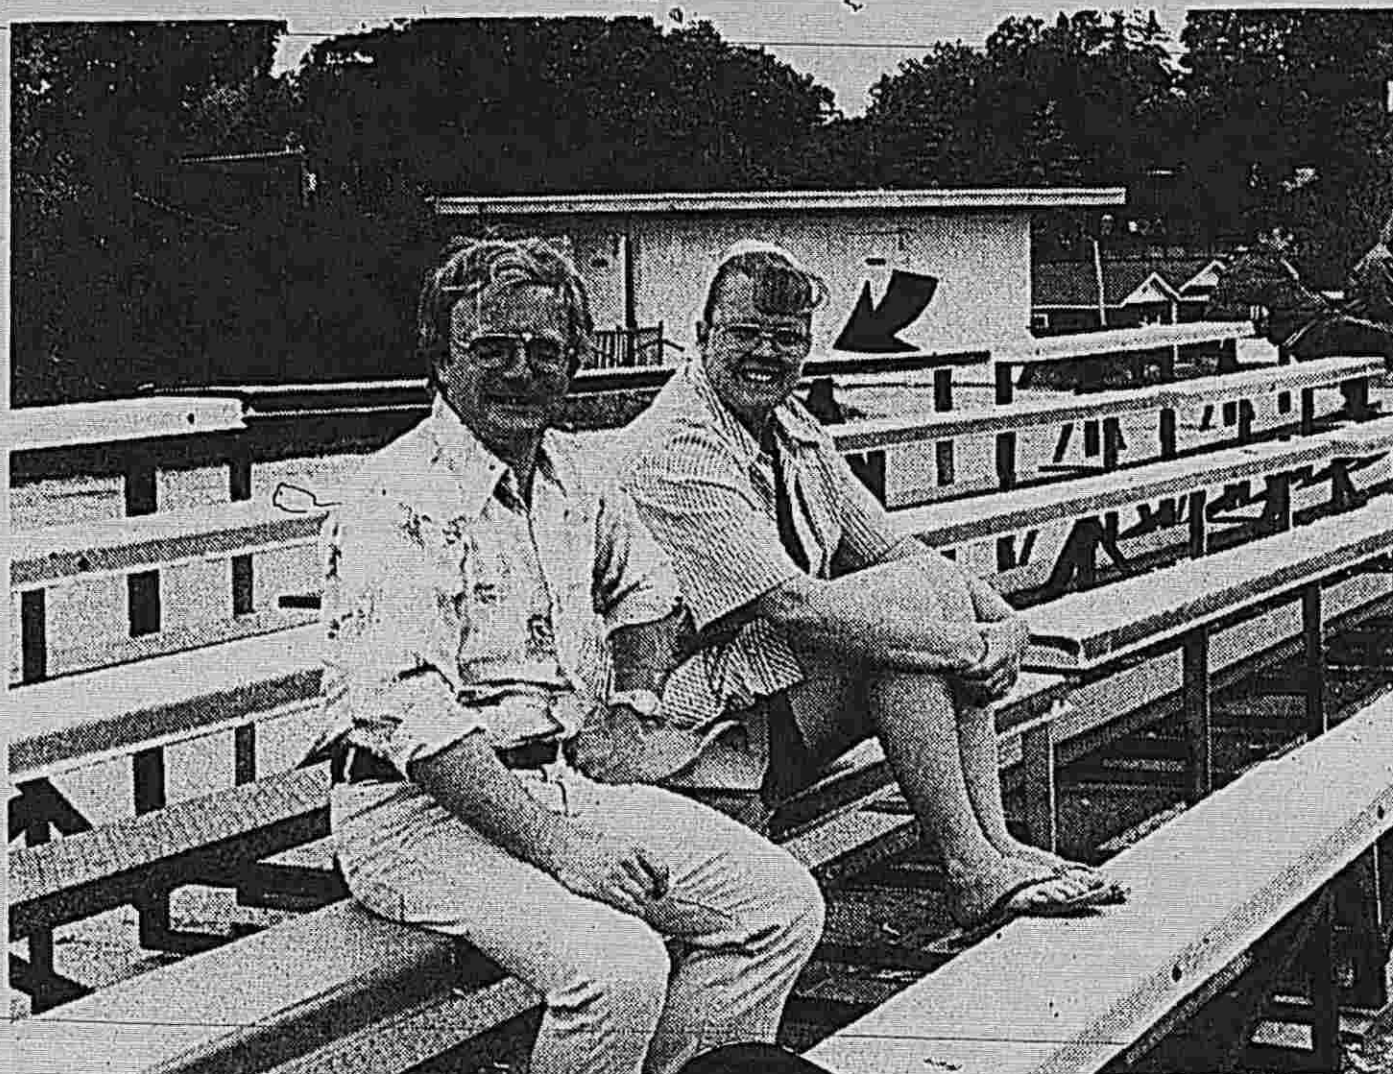

On Saturday, June 12, the State Bank made Hahn's sorry they showed up by tromping them, 20 to 1.

Hahn's took it on the chin again on Sunday, June 13, when the Advertiser skunked them, 17 to 9.

Chuck valentine hit homer and a triple for Hahn's.

Gus Mancuso did the same for the Advertiser. Pitcher George Hickey struck out eight batters in the last four innings.

Corey Vanderwall was the winning pitcher.

### Tigers, Orioles top leagues

In this week's Antioch Little League play, on Monday, June 7, the Orioles took the Giants, 19 to 2.

Dean Flaschner had a triple and a single. Neil Kuligowski had three triples and Ed Metzger had a triple, a double and a single, so did Jeff Cote.

Scott Waters did a nice job pitching. Flaschner was the winning pitcher.

Also on Monday, the Astros bowed to the Yankees, 17 to 14.

On Tuesday, June 8, the

Cardinals beat the Dodgers, 12 to 2, and the Cubs smeared the Tigers, 13 to 3.

On Thursday, June 10, it was the Giants over the Astros, 9 to 11, and the Orioles way over the Yankees, 11 to 2.

Flaschner had three triples and was the winning pitcher in this one.

On Friday, June 11, the birds ate the cats as the Cardinals beat the Cubs, 8 to 5.

On that same day it was the Tigers bowing to the Dodgers, 8 to 4.
